British Bathroom Perfection since 1989

# Bathroom Perfection

For more than three decades we've been committed to providing the very best bathroom solutions possible. Through creative design, tireless research and development and continued investment in the very latest manufacturing processes, we're confident that a Utopia bathroom really does symbolise British made Bathroom Perfection.

## Over 30 years of experience goes into every Utopia bathroom

Since 1989 our ethos has always remained the same; to offer creative and inspiring bathroom solutions, designed and manufactured here in the UK to the very highest specifications.

With an emphasis on style, our ranges have always led the way in British bathroom design.

From the introduction of short projection furniture and sanitaryware to motion operated LED lighting, integrated Bluetooth audio mirrors, and stunning Coralux Solid Surface washbasins, Utopia has always pushed the boundaries of design and technology to offer the very best bathroom products on the market.

**Made in the UK**  
Hand made British quality

**Pre-constructed units**  
Fitter-friendly - no assembly required

**5 year guarantee**

These door finishes are available in Original Fitted, i-Line, Symmetry, Geo and YOU ranges.  
Choose your carcass or cladding panel finish from page 15-16. Symmetry internals are Aluminium effect.

### Super Matt Soft Touch door finishes

These innovative new finishes are at the very forefront of material technology and offer a truly luxurious soft touch feel and a sense of quality. They feature a higher light absorption threshold giving that super matt finish and with the micro-structure technology, helps in reducing the impact of grease marks like fingerprints.

\* The Original Fitted Amelia doorstyle is only available in these finishes, all other doorstyles are available in any of the above finishes.

Original Fitted and i-Line fitted doors have a vertical grain direction, with the exception of Black Linear which is horizontal. Symmetry, Geo, You and i-Line doors all have horizontal grain direction. We aim to represent the finishes in this brochure as accurately as possible. However, due to the limitations of the printing processes used we cannot guarantee a perfect match. ## Our commitment to the environment

### Our Utopia is a greener place.

At Utopia we realise the importance of looking after the environment we inhabit. Our ongoing initiatives reduce our impact on the planet as well as designing and engineering more sustainable products.

Each year Utopia exceeds the environmental agency target by recycling packaging that would otherwise be disposed of on site, additional to legislative compliance requirements.

- All of our offcut and sawdust waste is used as biomass fuel to heat our factory and offices
- All of our cardboard packaging is cut to exact size on-site, to minimise over-use of packaging
- Almost 100% of timber used in our furniture is FSC® certified
- In 2019 we recovered and recycled over of 78 tonnes of packaging

# Why choose Utopia?

## Expertise

We've been at the forefront of the UK bathroom industry for over 30 years, during which time we've encountered every type and size of bathroom so can justifiably call ourselves the experts. It's not just our ability to plan each and every bathroom, no matter what size or shape, it's our in depth knowledge of how the products in your bathroom will be used.

## Quality

Your bathroom must be able to withstand daily use for many years to come. Our products are produced to exacting quality standards so you can buy with complete confidence.

## Craft

We're proud to be a great British brand at the forefront of bathroom innovation. Our furniture is designed, manufactured and hand assembled in the Midlands from the best quality materials, resulting in beautiful products with the perfect functional performance to match.

## Care

Our products are engineered with the bathroom fitter in mind so that installation is as straightforward as possible. Sustainability is at the heart of everything we do to ensure we make the minimal environmental impact. All our timber products are sourced from FSC® certified suppliers meaning the wood used in our factory is responsibly sourced from well-managed forests and other controlled sources<sup>Δ</sup>. Total confidence in our products is reinforced by our comprehensive guarantee.

## Our guarantee

We know you'll be happy with your Utopia bathroom, but for complete peace of mind we offer a 5 year guarantee on all Utopia furniture\*, 5 year guarantee on cartridges, a 10 year guarantee on brassware\*\*, a 30 year guarantee with all baths and a lifetime guarantee on sanitaryware.

All we ask is that you register your guarantee online once your bathroom project is complete. Register your guarantee online at [utopiagroup.com/guarantee](https://utopiagroup.com/guarantee)

# How to order Original Fitted furniture

## 1 What configuration?

Original Fitted furniture is our most versatile range. It's designed to be used in many different configurations - meaning several styles of layout are possible using the same units.

Whichever configuration you choose, Original Fitted furniture will give maximum storage.

Into a corner

Flush into a recess, using filler panels to fit the width exactly

Wall mounted cabinets with no plinths to give a modular look

## 2 Choose your cabinet depth

Smaller spaces can benefit from our reduced depth cabinets, whereas larger bathrooms can utilise our extra deep units for maximum storage space.

## 3 Cladding panels

Create a subtle yet effective slimline framed look. Ideal where your carcass choice doesn't match your choice of door finish, but you'd like to create a co-ordinated look.

## 4 A question of style

Now you've planned your layout, pick a doorstyle that best reflects the style you're trying to achieve. Clean contemporary Nadia or Zara give a sleek, minimal look, while the Amelia doorstyle has a more traditional routed look. Pick from the dozens of on-trend finishes, including gloss, matt, soft touch and wood effect and complement or contrast with your choice of carcass.

# How to order Contemporary Fitted

CONTEMPORARY

FITTED FURNITURE

## 1 Fitted or wall mounted?

Choose your cabinets and necessary filler panels where the run will be fitted wall-to-wall (Cladding panels must be used on all ends of furniture - choose your finish from the four options shown in step 2, as carcasses are a Powder Grey finish).

Powder Grey carcass finish

Cladding panels are used as a filler panel, in Flat Grey

## 2 Complete the run

Experiment with different depths to create step-backs within your run. The cladding panels will frame your run, while the filler panels will finish your run wall-to-wall. Choose your door finishes below for your top and bottom fascias. Wall unit finishes will always co-ordinate with your furniture bottom fascia finish unless otherwise stated.

# Mirrors

Light and reflection are essential parts of any new bathroom design and we've got a comprehensive selection ranging from simple mirror panels and framed mirrors through to co-ordinating mirror cabinets offering stylish storage for all shapes and schemes.

Look out, too, for sophisticated features such as sensor activated lighting, demisters and optional Bluetooth integrated sound systems.

## Deluxe Mirrors

Packed with the latest technological advances, our deluxe mirrors combine elegant styling with exceptional features.

Lustre illuminated mirror cabinet

Features optional integrated Bluetooth audio, LED lighting and sensor operation. Doors are mirrored on both sides to give a panoramic reflection when open. Available in 3 widths.  
600 / 800 / 1000 x 500mm

Opula illuminated mirror with glass shelf

Features optional integrated Bluetooth audio, demister, LED lighting and sensor operation. Available in 3 widths.  
820 / 1220 / 1620 x 500mm

## Deluxe rectangular mirrors

Large rectangular mirrors add more than style to your bathroom, they can also make it appear more spacious. Our contemporary collection includes different shapes and sizes as well as some practical features for added luxury.

## Shaped mirrors

Gently curved and shaped mirrors introduce a softer note to the bathroom, balancing the crisp lines of the furniture or reflecting the shape of curved cabinets.

## Mirror cabinets

By choosing a mirror cabinet, you benefit from a spacious mirror and plenty of concealed storage space behind it. Ideal for keeping toiletries and medicines away from children.

## Rectangular mirrors

A large mirror is an essential item in any bathroom. Choose from framed or frameless options to suit your style.

## A quick guide to ...

### *Washbasins*

- Semi-recessed** - partially recessed into the worktop of fitted furniture.
- Undermounted** - typically fixed to the underside of a Coralux Solid Surface or Compact Laminate worktop.
- Drop-in** - drops into and rests on the surface of any worktop.
- Sit-on** - typically a bowl or vessel that sits directly on the worksurface.
- Coralux Solid Surface inset** - custom made bowl incorporated in a Coralux Solid Surface worktop.
- Slabtop** - single basin designed to suit wall mounted or freestanding units.

### *Toilets*

- Back-to-wall** - floor standing with a concealed cistern in a wall or toilet unit.
- Wall-hung** - incorporated into a toilet unit using concealed cistern and fixing bracket. Can be used in combination with a WC unit and bracket or fixed directly to the wall surface using a wall mounting frame.
- Close coupled** - two piece toilet comprising pan and ceramic cistern designed to be stand-alone.

# Resinite

## BATH TECHNOLOGY

### Resinite coated for a long life

All Utopia baths feature Resinite Bath Technology which provides triple layer reinforcement and a 5mm ICI acrylic top coat giving extra strength, rigidity and longevity.

Our baths are made in the UK to the very highest standards.

Unlike some cheaper imported baths, stringent quality control procedures ensure that each bath is checked thoroughly at every stage of manufacture.

Resinite coated baths offer the strength and rigidity normally associated with their heavier cast iron counterparts. The entire underside of each bath is coated in a layer of Resinite which provides excellent insulation properties, meaning your bath stays hotter for longer.

# Innovative Technology

## Room Motion Smart Sensor

An inexpensive room motion sensor is the ideal way to control your bathroom lighting automatically. Simply programme it to your exact requirements to suit your lifestyle and let it do the rest for you.

### Discreetly styled

With a white coloured face to be as subtle as possible, the sensor can be sited on any ceiling or flat surface.

#### Integrated timer

Select duration of illumination in your bathroom.

#### Discreet

Smaller than an average spotlight.

#### Simple to use

Easy removal of the sensor face to reveal control panel.

### Perfect your lighting

Set the controls to suit your lifestyle, located behind the sensor's face.

#### Lux adjustment

The above setting position would activate the sensor, whatever the lighting conditions.

#### Time delay adjustment

The above setting position would ensure that the lights remain on for 3 minutes after the last movement in the room is detected.

## Terms and Conditions

### TERMS AND CONDITIONS

We hope you found our brochure inspirational and informative. We make every effort to display colours accurately, but cannot guarantee an absolute match on our website and in our printed material so you may find that products vary slightly in colour. Many of our products are made to order, meaning that some of our product sizes and measurements indicated in our promotional material may be subject to slight variation and we'd ask you to plan accordingly.

### SAMPLE SERVICE

You will find displays of our furniture styles, colour samples of finishes, worktops and tiles are available to view at over 600 Utopia specialist retailers across the UK. To find your nearest showroom visit our website. We also offer a free online sample service where you can order your preferred colours of finishes and worktops from our website to review in the comfort of your home.

### GENERAL GUARANTEE TERMS

All Utopia products are designed and manufactured to comply with or exceed accepted industry standards and tolerances. In the unlikely event that a product fails to meet our high expectations it will be replaced free of charge. Any product deemed to fall within accepted standards and tolerances will be subject to a replacement fee.

### GENERAL GUARANTEE:

1. Applies when:
  - 1.1 Products are installed correctly in accordance with our fitting instructions and are for domestic use in a room with suitable ventilation;
  - 1.2 Cisterns and taps are fitted in accordance with current local and national water regulations;
  - 1.3 Furniture is not used in a wet room environment or in frequent direct contact with water;
  - 1.4 Coralux solid surface products have been stored correctly in accordance with our packaging instructions; specifically these must be stored flat at normal room temperature prior to installation to avoid any distortion.
2. In the event of a product failure within the guarantee period (from the date of purchase) Utopia will supply a free of charge replacement for the failed item. If that part is no longer available, a nearest equivalent replacement will be supplied. Our guarantee is limited to the products supplied and does not cover any associated installation costs, consequential loss or damage claims.
3. The terms of this guarantee do not affect consumer statutory rights.
4. Any guarantee is limited to the original purchaser, is non-transferable and does not cover the purchase of ex-display items.
5. To obtain replacement parts in accordance with the terms of this guarantee, please contact the retailer who supplied the products.
6. Product guarantees may be invalidated through incorrect care and maintenance procedures. These are contained in the original product packaging and are also available from our Customer Services team.
7. All electrical installations must be carried out by a suitably qualified electrician. Your guarantee does not cover products incorrectly installed.

### BATHROOM FURNITURE

Utopia furniture has been specifically designed and manufactured for performance in general bathroom use and carries a 5 year guarantee. All bathroom furniture will deteriorate through prolonged periods of exposure to high levels of condensation so bathrooms must be adequately ventilated using suitable extraction to avoid this. Failure to ensure adequate ventilation may invalidate your guarantee. Bathroom furniture is not specified or designed for use in areas of regular or direct contact with water, particularly in wet room environments or where direct and/or regular water contact is prevalent. Any guarantee does not extend to this use. In respect of furniture containing electrical components, these items are unsuitable for zones 0, 1 & 2 installations. If you are in any doubt, please consult a qualified electrician.

### CARCASS MATERIAL

Many of our finishes are intended to replicate natural materials such as wood and stone where pattern and shade variation are distinct parts of the design.

### CORALUX SOLID SURFACE PRODUCTS

Some of our Coralux solid surface worktop range is designed to replicate natural stone material and is subject to pattern variation. Coralux solid surface products are fabricated and finished by hand to individual order requirements and carry a 5 year guarantee. We strongly recommend you agree the measurements of any Coralux solid surface items against our order confirmation, as it may not be possible to make further amendments to orders after this stage, at which point any order becomes chargeable in full. If amendments are possible, charges may apply based on the stage of manufacturing completion at that time.

### MINERALCAST PRODUCTS

Mineralcast products carry a 5 year guarantee and are supplied with a 2% dimensional tolerance.

### BATHS

Baths are supplied with a 30 year guarantee against manufacturing defects. All baths are supplied undrilled. All baths are manufactured and supplied using high quality 5mm cell cast acrylic, are fully reinforced with Resinite technology and are delivered with a protective film to prevent scratching.

### SHOWER SCREENS

All shower screens are supplied with a 5 year guarantee against manufacturing defects. All shower screens are supplied with 8mm toughened glass (except Symmetry with 6mm) and Clearshield technology, a permanent water repellent

coating that reduces the growth of bacteria and mould. These products can be susceptible to damage during installation and any product faults must be reported prior to installation.

### SANITARYWARE

Utopia sanitaryware carries a lifetime guarantee against manufacturing defects and is supplied with a 2% dimensional tolerance. Installation must be in accordance with the instructions provided and failure to comply with these may invalidate the guarantee.

In respect of wall-hung products, recommended fixing brackets and frames must be used. These are not included with our wall-hung pans.

### TOILET SEATS

A 2 year guarantee applies to all toilet seats and related components. It is the responsibility of the consumer to ensure that suitable cleaning products are used. Do not use abrasive cleaning products or cleaning products that contain chlorine or acids, as these may cause yellowing or peeling of the material. After cleaning, wipe the seat with a well wrung out cloth. Leave the seat and lid up whenever strong cleaning products are left in the bowl of the WC pan to prevent damage from vapours.

### CONCEALED CISTERNS

Concealed cisterns carry a 5 year guarantee against manufacturing defects. It is the responsibility of the individual installer to ensure that these products are fitted correctly and in line with the instructions provided.

### BRASSWARE

Brassware products are either suitable for high or low pressure, some are suitable for both so please refer to the product description for further information. Brassware carries a 10 year guarantee on brassware and a 5 year guarantee on cartridges against manufacturer defects. Specialist finish brassware carries a 2 year guarantee.

### TILES

We carefully select our range of tiles to co-ordinate with our furniture, however the production method of tiles mean that shading and colour may vary across different production batches. Order fulfillment will be from a single production batch wherever possible. We recommend taking all the tiles out of the box before installation and installing them according to slight shade differences rather than installing them directly from the box one by one. We recommend that you keep a note of your batch number in case additional tiles are required. Time difference from the original order will reduce the likelihood of the same batch being available.

Our tile collection contains both wall and floor tiles. Floor tiles can be used on the walls but wall tiles are unsuitable for use on floors.

In line with our restocking policy, a minimum of two full, unopened boxes can be returned within 28 days of purchase, subject to the tiles and packaging being in a resaleable condition from the same batch and same original order.

### COMMERCIAL APPLICATIONS

A 12 month guarantee applies to all products fitted in a commercial environment.

### CARE AND MAINTENANCE

We always aim to provide the best quality products but there are occasions when this isn't possible. We have found that most issues stem from poor ventilation in bathrooms. We recommend that you ensure your bathroom is well ventilated using suitable air extraction before our products are fitted. We regret that we cannot guarantee our products if they have been fitted in a poorly ventilated bathroom. Our specialist retail showrooms can provide advice and help you make the right ventilation choices.

With proper care and maintenance your bathroom products will last for years to come. The best and safest cleaning method is to use only warm water or pH neutral cleaner with a soft clean cloth. Never use an abrasive cloth. Never use chlorine, caustic, acid or alkaline based cleaners.

### OUR ENVIRONMENTAL COMMITMENT

Sustainability is high on our agenda and we strive to make the least environmental impact. From the wood we use, the energy we consume, to our transport logistics, we take care to ensure we operate as responsibly as possible.

The information contained in this brochure is correct at the time of print as of November 2018. However, we reserve the right to alter materials and specifications in line with our continuing programme of product and service development.

### HOW TO ACTIVATE YOUR UTOPIA GUARANTEE

Once your bathroom has been installed remember to activate your guarantee on our website. You will need to include the name of the Utopia retail specialist you purchased from.
