Lecico
bathrooms

WE ARE MORE THAN BATHROOMS

We are family values, with our history deeply rooted in the traditions of the Gargour family. Our reputation is founded on design-rich, competitively priced sanitaryware that has been crafted to the highest manufacturing standards. We pride ourselves on the flexibility we provide and the tailored solutions we offer to those we work with.

We are ever-growing, exporting to over 50 countries worldwide and ranking second largest supplier to the UK market by volume. We have the capacity to produce 6.2 million pieces each year; every piece hand finished.

We are Lecico.

WE CAN & WE WILL

WE HAVE A TERM THAT WE OFTEN USE AT LECICO, TO TEST OUR RESOLVE TO PROVIDE THE BEST POSSIBLE CUSTOMER SERVICE LEVELS –

“WE CAN, AND WE WILL.”

- ANTONY THOMPSON, LECICO MANAGING DIRECTOR

IT ALL STARTED WITH ORANGES

The first Mercedes shipped to the east was traded by T.Gargour & Fils. It was worth its weight in Jaffa oranges; 5000 cases of them were exchanged for the Mercedes. T.Gargour & Fils is still run today by the Gargour family alongside Lecico.

Atlas Pro

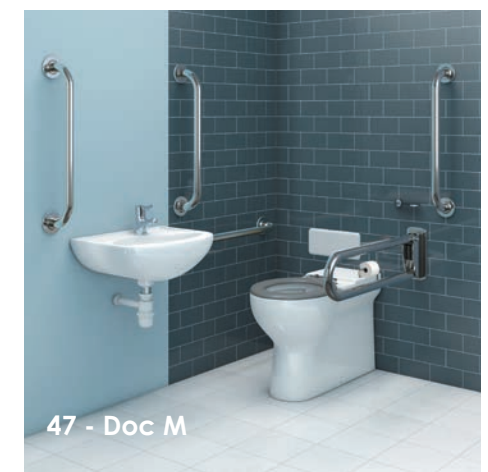

Specialist Design

Atlas Pro specialises in products for commercial buildings including schools, leisure facilities, hotels and offices.

Lecico Bathrooms is one of the world's largest manufacturers of sanitaryware, number two supplier into the UK market, and export to over 50 countries worldwide.

Lecico Bathrooms manufacture a range of internationally certified sanitaryware products sold both under Atlas Trade, Atlas Pro and Design Series brands. All Lecico Products are UKCA, WRAS and LANTAC approved where appropriate and are listed on the UK water label scheme.

Lecico Bathrooms are only one of a limited number of sanitaryware manufacturers with products listed on the NBS platform.

Doc M
Packs

Lecico are at the forefront of specialist and commercial sanitaryware. The Doc M packs we produce are reliable and accessible to the fullest extent. We pride ourselves in offering a large array of Doc M, peninsular and ambulant products.

Document M of the Building Regulations (2004) and BS 8300-2009 provide government guidance on the layouts of an accessible wash-room in non-domestic settings. It ensures consistent levels of installation and function designed for all users. CE Compliant, LANTAC & WRAS Approved.

Seat and Rail Colour Options RAL & LRV Values

Finish	RAL	LRV
White	9016	87.67
Blue	5011	5.52
Grey	7005	18.52
Polished Stainless Steel		58
Satin Stainless Steel		41

A minimum of 30 points LRV difference is advised for adjacent surfaces.
